**Monica** is the Director of Business Development in the firm's San Jose office. She has over 8 years of experience, specializing in Business Law.

She has experience advising corporate clients in daily affairs including company structure, regular operations, and contractual agreements.

As BLP's Business Development Director, Monica oversees the firm's growth in the region, developing new business and client relationships. She also manages the Marketing & Communications department.

Monica joined BLP in 2013 as an associate and subsequently began focusing her career on the firm's business development. Before joining BLP, she worked as an associate at Sfera Legal and as a paralegal at Feinzaig Scharf & van der Putten.
