Carlos is an Associate at the BLP office in San Pedro Sula, Honduras. His specialties include Environment, Health & Safety, Banking & Finance, Business Law, Public Law, Public Procurement & Regulation, Human Rights, Business & Sustainability, Tax, Labor & Employment, Immigration & Nationality, Sanitary Registration of Products, Dispute Resolution, Telecommunications, Media and Technology, and Free Trade Zones.

Throughout his five years of experience, he has advised private corporate and commercial entities, both local and international, in day-to-day matters, while representing companies in acquisitions, restructurings, and commercial agreements, as well as compliance with legal obligations and due diligence. In the Tax area, he has experience in procedures before the Tax Collection offices, providing assistance in compliance with fiscal tax matters and obtaining the appropriate tax exemptions.

He has also assisted local and international companies in the development and participation of assemblies of both partners and shareholders and performed the relevant notarial services. In the Labor area, he has assisted in the elaboration of individual work contracts, and actions before the Secretaries of Labor and Social Security.

He joined the BLP team as an Associate in 2018, after being an in-house lawyer for Altia Business Park, a Grupo Karim's core business. For 4 years, he advised companies that work in the maquila manufacturing sector in San Pedro Sula.
