**Alejandro** is a Partner in BLP's San José. He specializes in the practice area of Dispute Resolution. Bringing more than 20 years of experience to criminal science, as a lawyer, an academic, and as a consultant in the elaboration of projects and law reforms at the national and international level.

His experience working with international organizations includes the preparation of multiple legal manuals, models, diagnoses, and policies for organizations such as UNICEF, USAID, PANIAMOR, MarViva, and the Inter-American Institute of Human Rights.

He has also excelled in the academic field as a university professor at institutions such as the University of Costa Rica, the International University of the Americas, the National University of Costa Rica, and the Judicial School of Costa Rica. He has participated as a teacher and speaker in the training of prosecutors, advocates, judges, and experts in different countries of Latin America, including Mexico, Panama, Nicaragua, the Dominican Republic, and Costa Rica, specifically in matters of litigation before juries. He is the author of multiple articles for important legal media such as the Inter-American Institute of Human Rights, UNICEF, the Judicial Power of Costa Rica, and the Magazine of the Public Ministry of Defense of Argentina.

In 2017, he joined the BLP team after a long career as a public defender, where he rose to Deputy Director of Public Defense after serving as Supervisor, Coordinator, and Public Defender in Costa Rica.
