### ABOUT

---

Anielka Martínez is an associate in the BLP office in Nicaragua, specializing in Business Law, Real Estate & Hospitality, Dispute Resolution and Environment, Health and Safety. With seven years of experience, she has advised national companies on business contracts, property registration, and company staff severance. She has participated in labor trials and drafting sentences and is well-versed in environmental management issues, having participated in ecological studies (assessment and environmental analysis). Additionally, Anielka consults for companies on implementing practices to comply with environmental regulations. She also has experience in the Health Registry. She joined BLP in 2023.
