ABOUT

Giselle Reuben, Partner at BLP in San José, Costa Rica, is an expert in Intellectual Property and Sanitary Registration of Products. With extensive experience in registration, protection, and litigation defense of intellectual property, she coordinates procedures in Central America and the rest of the world for her clients. She is recognized for her knowledge and key advice for businesses in Costa Rica and Central America. Giselle is regularly featured in legal publications such as The Legal 500 and Chambers & Partners. A founding member of APPICR, Giselle participates in several organizations related to intellectual property at the national and international level. She joined BLP in 2006, moving to Partner in 2014.

EXPERIENCE

Laboratorios Saval's entry into the pharmaceutical market in Costa Rica.

BLP advised Saval throughout the acquisition process of Laboratorios Stein's operations in Costa Rica, including the performance of due diligence, the structuring of the transaction, the negotiation of the purchase agreement and ancillary contracts, and the entry of Saval into the Costa Rican market through the obtention of the applicable permits and the hiring of 170 employees.

BLP advised BioNTech SE, German biotechnology, on the Intellectual Property legal representation of its trademarks, IP portfolio management in the country, and advice on consumer protection matters.

BLP assisted Laboratorios Pisa (Electrolit).

The firm's role was to support the client in a critical case after the Ministry of Health requested a recall. The assistance included negotiating with the Ministry and devising corrective measures to enable the client to continue distributing its products.

Establishment of precedents in Costa Rican courts.

BLP achieved victories and set precedents in Costa Rican courts with cases for clients Btcino, Volcom and Conair. In these three cases, the defendants were found guilty. The Btcino case was the first criminal case in Costa Rica where the defendant was convicted of violating applied art.
