### Non-Refundable Lufthansa Tickets: What You Need to Know

On the other hand, non-refundable tickets are generally more affordable but come with stricter cancellation rules. If you opt for a non-refundable ticket, you may not be able to receive a refund if you decide to cancel. However, there are still some options available. USA +1"866"694"6280"

### Non-Refundable Tickets Explained

When you purchase a non-refundable ticket from Lufthansa, the airline usually does not provide a refund if you cancel your flight. The primary advantage of choosing this type of ticket is the lower cost compared to refundable options. However, this comes at the expense of flexibility. USA +1"866"694"6280"

Though the ticket is non-refundable, there may be other options if you need to change your travel plans:

- You might be able to receive a credit voucher for future travel, though this is not guaranteed.
- In some cases, you can reschedule your flight for a rebooking fee and fare difference, if applicable.

### **Cancellation and Refund Options for Non-Refundable Tickets**

If you choose to cancel a non-refundable ticket, your refund options are generally limited. You won't receive the full value back, but you may be eligible for a partial refund or a travel credit for future flights. Here are a few options to explore:

- **Travel Credit or Voucher:** Lufthansa may issue you a voucher or travel credit for future bookings. This credit can often be used for the same or future travel.
- **Rebooking for a Fee:** You may have the option to change your flight for a change fee, depending on the fare conditions. While you won't receive a refund, you could rebook for a different date or time.

### **The 24-Hour Lufthansa Cancellation Policy**

One of the most important policies to remember when booking any ticket is the 24-hour cancellation policy. If you book your Lufthansa flight online, you have a 24-hour window to cancel without any penalty. However, this rule only applies if your flight is scheduled at least 7 days in advance.

During this 24-hour period, you can cancel your booking, and Lufthansa will provide you with a full refund. This applies to both refundable and non-refundable tickets. After the 24 hours have passed, the regular cancellation fees or travel credit options will apply. USA +1"866"694"6280"
